Jackson Street Reconstruction Project 14th Street to 18th Street

The City of Sioux City’s Engineering Division announces the start of work on the Jackson Street Reconstruction, 14th Street to 18th Street Project on Tuesday, May 17th, 2016. The project will be constructed in three different stages, with at least one section of Jackson Street between 14th Street and 18th Street being closed to through traffic for the entire duration of construction. The first closure will be Stage 1, from 18th Street to mid-block between 16th Street and 17th Street. The contractor will then move to Stage 2 and on to Stage 3. Completion of all three stages is anticipated by November 1st, 2016. Detour routes will be posted that utilize either Nebraska Street, Jones Street, or Pierce Street. Motorists are advised to reduce speed, drive cautiously, and obey all traffic control signs and barricades with regard to this closure.
