

EFFECTIVE FISCAL AND PUBLIC POLICY COMMITTEE ANNUAL REPORT FISCAL YEAR 2016

MISSION STATEMENT: The Effective Fiscal and Public Policy Committee (EFPPC) will review and make recommendations to the City Council on matters pertaining to budgets, capital expenditures, and revenues and operating expenditures as well as make other recommendation on fiscal matters as it may be advisable while considering what is in the best interest of the taxpayers and the City. The committee also serves as an advisory and resource body to the City Council by analyzing, developing and recommending policies and procedures concerning issues not addressed by other boards, commissions and committees.

MEMBERS ROLE: The Effective Fiscal and Public Policy Committee concerns itself with matters relating to taxation and other revenue measures; the bonded debt of the City of Sioux City; deposit of public moneys; the expenditure of public funds; and all aspects of financial policies. The Effective Fiscal and Public Policy Committee provide an opportunity for detailed discussion and consideration of financial matters. The advisory committee shall prepare recommendations and submit them to the City Council based on requests from the City Council relating to current community concerns. Examples of those requests are: review and assistance with strategic planning and special project review and formulation on City projects or initiatives with broad impact. The committee will consider issues that are not the responsibility of other boards, commissions, or committees. The role is advisory only.

EXECUTIVE SUMMARY: The first meeting of the EFPPC was held on February 22, 2011. The committee was established with the Fiscal management Committee and the Effective Public Policy Committee were dissolved and merged into the new board, resolution No. 2011-0069, (January 24, 2011). During the Fiscal Year 2016 the committee met in ad hoc mode.
