ADDENDUM NO. 1

This Addendum No. 1 hereby revises the contract documents dated September 21, 2016. Revisions made herein shall become a binding part of the contract documents.

Bidders shall acknowledge receipt of this Addendum in the space provided on the **Proposal Form** as failure to do so may subject bid to disqualification.

I. Clarification for Bid Item #80 – Pole, cobra head, anchor base.

Bid item is for pole only, davit style for cobra head fixture. “Cobra head” is referring to the type of fixture that will be installed on the pole. Furnishing and installing the cobra head fixture will be paid for under bid item #79 - Fixture, cobra head. “Anchor base” references that the pole has an anchor base that will attach to a foundation. Furnishing and installing the foundation will be paid for under bid item #74 – Foundation, direct drill.

II. Revised Electrical Specification, Division 1 - General Requirements, Section 01 2000, 1.06.C - Description of Payment Items, Light Pole, Page 1-6

Under Light Pole subparagraph, remove “aluminum pole” and replace with “steel alloy pole with galvanized finish”

III. Revised Electrical Specification, Division 33 – Utilities, Section 33 7215, 2.03 Foundations, Item B, Page 33-15

Revise “Foundation length shall be 8’” with “Foundation length shall be 8’ as

recommended by MacLean Power Systems. Other acceptable manufactures may have different recommended foundation length requirements which should be submitted to the engineer as a shop drawing for review and approval.”

This Addendum shall become a legal binding part of the contract documents. All bidders shall agree to accept the revisions indicated and prepare proposals in accordance therewith.
