

The Effective Fiscal and Public Policy Committee shall prepare recommendations and submit them to the City Council based on requests from the City Council relating to current community concerns. Examples of those requests are: review and assistance with strategic planning, special project review and formulation on City projects or initiatives with broad impact, assistance with reviewing financial forecasting information, cost allocations, fees for services, budgets, performance measures, and the annual audit. The committee will consider issues that are not the responsibility of other boards, commissions, or committees. The role is advisory only.
