

The board provides for the operation, maintenance, and repair of the skywalk system; establishes rules, regulations, and minimum standards for the system; selects employees necessary to operate and maintain the system; establishes standards for signage and advertising in the system; and controls the revenue allocated for the system. The board also provides oversight of municipal parking operations within the central business district, especially those operations concerned with marketing and customer service. The board advises the City Council on parking issues such as standards for the operation, supervision, and maintenance of the parking ramps, lots, and metered spaces; rates and fees; repairs and/or construction of parking facilities; and marketing strategy for the promotion and sales of downtown parking services. **{vacancies quantity=1}** Established: 2009
