

Sioux City Fire Rescue is aggressively working to diversify through our hiring process. We know that a department that reflects our community will best serve all citizens. We are seeking qualified candidates to apply and test to become eligible for hire. Females and minorities are strongly encouraged to apply. The testing process will occur this summer and fall with an application period of August 4, 2014 through September 5, 2014. This opportunity represents a great career in a field that makes a positive impact on the lives of our fellow citizens.
