

19th and Pierce Street Closure

Monday, 21 November 2016 12:28

The City of Sioux City Engineering Division announces the start of an emergency repair project in the intersection of 19th Street and Pierce Street. This project includes repairs to the existing storm sewer and sanitary sewer. Due to the timing of this project, the work will require the contractor to perform the work during the early winter months. Work is anticipated to last up to four weeks, weather dependent. The street will be closed to through traffic, and the intersection closed to all traffic. Posted detours will be in place directing traffic to Douglas Street and Nebraska Street. Motorists are advised to reduce speed, drive cautiously and obey all traffic control signs and barricades with regards to this closure.
